TESTIMONIALS

"BrowseReporter has been great in enabling us to give feedback on which sites we need to restrict. With bandwidth reporting and remote screen capturing, BrowseReporter has become the perfect tool for us to monitor our client PCs."

— **Extraweave Pvt**

"The one thing that made me really choose CurrentWare over the other products is the design of the software and the customer service. They also try to build the software from the feedback of users; in the updates, features will be added to fit their customers' needs."
